

Press the phone icon to sign in using a phone number

Enter the password as displayed

Enter the phone number as displayed (Note: You must leave out the first '0')

Once loaded, the cameras may ask you for a verification code. This is '12345678'

The image shows a mobile app interface for 'wurzel'. At the top is the 'wurzel' logo. Below it are two icons: a phone icon and an email icon. The phone icon is highlighted with a red box. Below the icons are two input fields. The first field contains the phone number '+44 7831522627' and is highlighted with a red box. The second field contains the password 'Kr1st1na' and is also highlighted with a red box. Below the input fields are two links: 'Register' and 'Forgot Password'. A large red 'Login' button is centered below the links. At the bottom of the screen, a keyboard is visible with a 'Passwords' header. Red lines connect the red boxes to instructional text blocks: one from the phone icon to 'Press the phone icon to sign in using a phone number', one from the phone number field to 'Enter the phone number as displayed (Note: You must leave out the first '0')', and one from the password field to 'Enter the password as displayed'.
